Disclosure of Amendments to the Code of Business Conduct and Ethics

On November 19, 2026, the Board of Directors (the "Board") of Camping World Holdings, Inc. (the "Company") adopted an amended Code of Business Conduct and Ethics (the "Code") applicable to the employees, officers, and directors of the Company. Among other changes, the amended Code adds a provision to prohibit using confidential information for personal benefit or gain, including confidential information to wager or participate in any prediction market or enter into any event contract or similar arrangement relating to confidential information. In addition, the Code reflects a provision that was previously included in, and moved from, its Insider Trading Policy and prohibits directly or indirectly making materially false or misleading statements to, or omitting or concealing material facts from, the Company's independent auditors, internal auditors or the Audit Committee in connection with any audit, review or examination of the Company's financial statements or any SEC filing, or taking any action to coerce, manipulate, mislead or fraudulently influence the auditors.

Other changes to the Code include changes of a technical, administrative, and non-substantive nature. The Code, as amended, has been posted to the "Documents & Charters" section within the "Governance" tab on the "Investor Relations" page of our website (https://investor.campingworld.com). The amendments to the Code do not result in any waiver, explicit or implicit, from any provision of the Code as in effect prior to the Board's actions to amend the Code.
